StriperTM Powder Actuated Fastening System

Powers is a proud member of:

A domestic company headquartered in Brewster, NY

New!

Sniper™ Pole Tool

The Sniper™ Pole Tool is ideally suited to installing overhead ceiling clips with pins up to 1-1/2". It features high production bump-and-move firing plus a 10 load strip.

The Sniper features Safety Sequence Strip Loading, allowing load advancement only *after* the pin has been installed in the nose piece and the handle must be clicked to advance the next load. With some other tools, the load is automatically advanced after it is fired, which means that each time you load a pin it's like looking down the barrel of a loaded gun.

Knurled screw-in connector attached quickly and securely to extension pole

Sniper accommodates a 10 load strip, to keep you moving faster

Pins, Specialty Fasteners, Assemblies

CEILING CLIP ASSEMBLIES

.300 DIAMETER HEAD PINS WITH CEILING CLIPS
